At Dr. Hoge's church-the Second Presbyterian-a funny thing happened after the sermon in the morning, which, by the way, was a very fine one, and was delivered by Rev. Mr. Downes, an Englishman. There was an old gentleman present who had been sitting in a chair near the pulpit. The subject of the discourse was the four characters of Paul, Agrippa, Felix, and Festus. After the benediction had been pronounced, the old gentleman got up, and, with his cane in one hand, while with the other he waived his hat about his head, said out, in quite a loud tone of voice: "I am one born out of due time, oh King Agrippa," and then turn-ing to the minister, said: "Let him say Woody: what he may, Agrippa still lives; thus saith the Lord."

FIGHT AGAINST THE CENTRAL COMMITTEE rise every morning during the month of AND Cusrow-House Ring.—At a meeting of April from an elevated point in the city: Davenport's, on Broad street, last night, upon call of C. T. Payne, chairman of the ward, the following to the Republican voters of the city in behalf of the ward was

adopted: Resolved, That we, the undersigned, citi zens and voters of said ward, do here enter our solemn protest against William H. Trent, chairman of the Republican City Central Committee, for the following reasons:

1. Because he denies to a majority of Republican voters of Madison Ward the right of representation in the City Central

2. Because he has assumed authority to rule and govern a majority of Republican voters of Madison Ward, contrary to their vishes and detrimental to their future political prosperity.
3. Said William H. Trent is known to be

in full sympathy with a class of men known as the Custom-house Ring. This is plainly shown by his action in retaining three men of the Custom-house Ring as members of the City Central Committee when he knew that those men had been defeated by a large majority at a meeting specially called by him for the purpose of reorganizing Madison Ward.

4. William H. Trent is not ignorant of these facts, that a majority of citizens and voters of Madison Ward did meet according to his call, and elected the entire officers the City Central Committee. And further, seats in said committee long before this had William H. Trent in the interest of himself

5. While we acknowledge it to be our indispensable duty to work for the success of the Republican party, both national and local, we also believe it to be our duty to discountenance and denounce William H. Trent as unworthy and unfit to represent the Republican party of this city in any capacity whatever.

6. We call on Republicans of the entire city to give us their aid and assistance in bringing out and supporting such men as will fairly and honestly represent the people; such as are at all times willing to submit to the majority of the people. Payne, mometer yesterday (Monday) morning at a as chairman of the ward, tendered his resignation, but the meeting refused to accept
